RESPONSE AFTER ALLOWANCE UNDER 37 C.F.R. § 1.312

Dan L. EATON, et al.

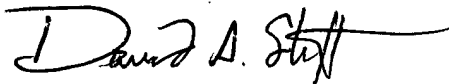

Application No. 10/015,967

**REMARKS**

Claims 36-39 and 41-45 (to be renumbered as 1, 2, 5 to 7, 3, 4, 8 and 9, respectively) have been allowed. No amendment to the claims is being made in this paper. Rather, the amendments to the specification provided herein under 37 C.F.R. § 1.312 pertain to matters of formality concerning the descriptions of figures. The amendments bring the descriptions for Figures 6, 8 and 9 in line with the figures (i.e., Figures 6A-C, 8A-C and 9A-D) as originally filed with the application. The amendments do not constitute new matter as support can be found for the amendments in the drawings as filed with the application and in the specification at, *inter alia*, page 14. A copy of the formal drawings, which are being submitted concurrent with this amendment pursuant to the notice of allowance, is attached for reference. Applicant notes that the issue fee has not yet been paid. Accordingly, Applicant asks that the current amendment be entered.

Applicant does not believe that any fees are due with this amendment. However, the Commissioner is authorized to charge any fees that may be required, including extension fees, or to credit any overpayment to Deposit Account No. 18-1260.

Respectfully submitted,
